## Navigation and maps

The Worcestershire Way Walk is well-waymarked but you must be familiar with the route before the challenge or ensure you have a map as there are some tricky areas to navigate.

### Elevation

- Total ascent: 1816 m

### Food

- Eat carbohydrates before and throughout the walk and make sure you have a good breakfast on day one (e.g. eggs, oats, avocado or muesli).
- Pack lots of snacks and eat regularly to ensure your body has sufficient supplies of glycogen. Examples are granola bars, liquid carbohydrates such as juice or squash, fruit, yoghurt or sandwiches.
- Sugary snacks are also great for energy dips you'll face, especially towards the end!
- Lunch is provided - a hearty buffet with a variety of choice. Please let us know if you have any dietary requirements.

## Health and safety

- You must carry a mobile phone or walk with someone who has one. You will be asked for the mobile number when you register.
- You must check-in at the start, lunch and finish.
- Carry adequate supplies of water/drink and snacks. We recommend carrying three litres of water in a hydration pack – you'll need more if it's a hot day.
- Water stops along the way will not be manned – simply fill up and carry on. Top tip – always top up!
- Toilet facilities are limited (ie pubs or bushes en route) – please bear this in mind.
- We have a qualified first aid representative and marshals from ELMS (Environmental and Landscape Maintenance Services). They know the route inside out – their phone numbers will be issued to you on the day.
- This is a big challenge – please ensure you have done the adequate training. It essential to practice the route in manageable sections, together with being aware of the timings

*Remember to check with your doctor before attempting strenuous walks if you are unsure of any health issues.*

### Fundraising

The registration cost of events only covers the cost of running the event. We'd appreciate you raising sponsorship for this mighty challenge!

We suggest a fundraising target of £200. It is through sponsorship that you can make a real difference in the lives of those we support each year.

[To set up a Just Giving page or make a donation please click here.](#)

We understand some people want to take part in our events without the pressure of raising sponsorship. If you would rather leave a donation instead you can do this at the time of booking your ticket or on the Just Giving page linked above.

St Richards Hospice provides free specialist palliative care for patients living with life-limiting illnesses and supports their loved ones. Each year the hospice team supports over 3,300 patients and family members in Worcestershire. More and more people need hospice care across the county every day. Our community is living much longer, often with multiple, complex conditions for which there is no cure. We know that the number of patients and their families who will need us is only going to continue to keep rising. Sadly, this financial year we will bring in around a million pounds less than we will spend. Government funding only covers around 20% of our costs. As a charity it means we need to raise £9.6 million of the £12 million we need to keep vital services running this year for Worcestershire families.
